WHO WE ARE

Cryptic Motors, based in Bhopal, is one of India's leading manufacturers of electric mobility solutions. We specialize in golf carts, vintage cars, joy trains, go-karts, sightseeing buses, and utility carts.

With innovation, craftsmanship, and eco-friendly technology at our core, we aim to redefine how people move within leisure, hospitality, and commercial spaces.

WHY **CHOOSE US**

At Cryptic Motors, we combine craftsmanship with cutting-edge engineering. From golf carts to vintage cars and toy trains, our vehicles are designed to offer comfort, durability, and elegance for every journey.

Eco-Friendly Innovation

Sustainable, electric-powered vehicles designed for a cleaner and greener future.

Custom-Built Solutions

From golf carts to sightseeing buses, every vehicle is tailored to your needs.

Trusted Quality & Support

Reliable performance backed by durable engineering and excellent after-sales service.

OUR MISSION & OUR VISION

Our Mission

To design and deliver eco-friendly, innovative, and reliable electric vehicles that redefine mobility. We are committed to creating sustainable solutions that blend performance, comfort, and style empowering resorts, campuses, parks, and communities to move smarter and greener.

Our Vision

To be India's most trusted name in electric mobility by leading the transition towards sustainable transportation. We aspire to inspire lifestyles where technology, elegance, and environmental responsibility move hand in hand. In doing so, we aim to create a future where eco-friendly innovation meets everyday mobility needs, making sustainable travel accessible for all.
